THE JUNIOR COMPANY: THE NEXT GENERATION

Serious about dance? The School of Dancing Wheels offers a pre-professional division. Junior Company is a class, by audition only, that gives dance students a chance to experience what The Dancing Wheels Company does daily. Through comprehensive training in modern, ballet, and physically integrated dance, the students learn the discipline and rehearsal skills required to become a professional dancer. Students in our Junior Company have opportunities to perform for audiences in the Northeast Ohio area, presenting at prestigious venues such as Playhouse Square.

If you are between 12 and 18 years old and are interested in becoming a Junior Company member, call for audition details!

The Dancing Wheels Company & School is an organization of artists with and without disabilities that educates, entertains, and advocates worldwide through innovative dance.
